---

## Experience

### MakSchu Productions

Video Editor, Sarasota, FL

06/2023 - Present

- Collaborate closely with clients, directors, and other team members to align editing with the creative vision of each project.
- Produced over 100 15-60 minute workout videos in under 7 months for a client's fitness app.
- Demonstrated effective problem-solving skills by addressing technical challenges promptly and finding creative solutions to enhance the overall editing process.
- Help in the filming process for in-studio podcast recordings, edit and deliver podcast episodes same day as recording.

### Self Employed

Video Editor

01/2019 - Present

- Collaborate with marketing agencies and multimillion-dollar corporations to understand their video editing needs and create a plan to meet their goals
- Manage a small team of editors, delegating tasks and providing feedback to ensure that all work was completed to a high standard
- Work closely with producers, directors, and other stakeholders to ensure that the final product meets the client's expectations and exceeds industry standards
- Produced videos for a range of platforms, including social media, television, and web, using the appropriate formats and specifications

### LinkedIn Learning

Video Editor

08/2018 - Present

- Edit high-quality educational video content for LinkedIn Learning's online platform using Adobe Premiere Pro and Adobe After Effects.
- Ensure that video content adheres to LinkedIn Learning's standards for quality, clarity, and accuracy.
- Completed over 180 educational video courses across a variety of high-level topics.
- Manage video files and assets in an organized and efficient manner
- Successfully edit and produce an average of 2-3 LinkedIn Learning courses per month

### HSN

Video Editor

12/2021 - 10/2022

- Edit promotional videos, product videos, and educational content for HSN's digital platforms and broadcast network.
- Managed and organized digital assets, including video footage, audio tracks, and graphic elements

- Communicate and collaborate effectively with producers, directors, and other team members to meet tight deadlines
  - Edited segments that were featured on national television and received positive feedback from industry professionals
-
